## **KTDA HOLDINGS CHAIRMANSHIP POSITION STATEMENT**

---

**Nairobi, Monday, February 24, 2025**

Mr. Chege Kirundi is the substantive Chairman of the KTDA Holdings Board following the vacation of the earlier conservatory orders which had been issued by court suspending his election on January 23, 2025.

While vacating the earlier orders, The High Court in Nairobi this afternoon said the application made by board member Enos Njeru who was removed from the position of chairmanship through a board election lacked merit and was therefore dismissed.

The application of the respondent which sought for the vacation of the orders was allowed.

We assure our stakeholders that KTDA's operations continue seamlessly and our focus remains on delivering value, enhancing efficiency, and promoting the welfare of our farmers.
