

## Quality Policy

KTDA Management Services Ltd is committed to provide effective management services through production, processing and marketing of high-quality teas and other services for the benefit of shareholders and stakeholders.

Our key goal and objective is to meet and exceed our customers' expectations in providing quality products and associated services.

We shall endeavor to continually maintain and improve an efficient and effective Quality Management System meeting both the regulatory and the ISO 9001:2015 requirements.

A handwritten signature in black ink, appearing to read 'Collins Bett', is centered on the page.
